

#PJPledge

**Wear your PJs
as a reminder that
everyone deserves
a safe place to lay
their head at night.**

280,000 of our Colorado neighbors do not have access to decent affordable housing. Show us that you can't sleep at night knowing that poverty housing and homelessness exist in our beautiful state!

Donate to Habitat for Humanity, then take a picture of yourself and your friends in your PJs and share it

#pjpledge.
