ABOUT HABITAT FOR HUMANITY

Habitat for Humanity of Metro Denver was established in 1979 by a group of passionate volunteers. These volunteers worked tirelessly to fundraise, acquire land, select families and manage all the logistics to build the first Habitat homes in Denver. Since then, Habitat Metro Denver has become one of the largest affiliates in the U.S.

With positions in home construction/renovation, retail sales, mortgage services and administration, Habitat Metro Denver has grown from a volunteer-only organization to an employer of over 160 individuals. At Habitat Metro Denver we know that our strength and success relies on the power of people who come together to make a difference.

People in our community, and all over the world, partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes, alongside volunteers, and pay an affordable mortgage. With our help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.
