Who We Are:

Habitat for Humanity of Metro Denver (Habitat Metro Denver) is part of a global, nonprofit housing organization that seeks to put God's love into action by bringing people together to build homes, communities, and hope. Habitat for Humanity was founded on the conviction that everyone needs an affordable, healthy and stable place to live in dignity and safety, and that affordable housing should be a matter of conscience and action for all.

To achieve our vision of a world where everyone has a decent place to live, Habitat Metro Denver builds, renovates and sells homes in partnership with low- and moderate-income families. The organization also works with existing low-income homeowners in formerly red-lined Denver neighborhoods to do critical home repairs. Throughout its 42-year history, Habitat Metro Denver has served more than 2,500 households and is the 8th largest producer in the Habitat U.S. network.

As an advocate for policies that create and preserve affordable housing, build wealth through homeownership, and stabilize communities experiencing involuntary displacement, Habitat Metro Denver engages the community to be a catalytic force at federal, state and local levels.
