Who We Are:
Habitat for Humanity of Metro Denver (Habitat Metro Denver) is part of a global, nonprofit housing organization that seeks to put God’s love into action by bringing people together to build homes, communities, and hope. Habitat for Humanity was founded on the conviction that everyone needs an affordable, healthy, and stable place to live in dignity and safety, and that affordable housing should be a matter of conscience and action for all. To achieve our vision of a world where everyone has a decent place to live, Habitat Metro Denver builds, renovates and sells homes in partnership with low- and moderate-income families. Habitat Metro Denver is also an advocate for policies that create and preserve affordable housing. We work in neighborhoods across five counties in Metro Denver to not only build, renovate and sell new homes, but also to do critical home repairs to help families stay in their homes longer. Throughout our 43-year history, Habitat Metro Denver has served more than 2,500 households and is the 8th largest producer in the Habitat U.S. network.
