ABOUT PIKES PEAK HABITAT FOR HUMANITY:

Habitat for Humanity, founded in 1976, is a global, Christian-based nonprofit organization that grew out of an intentionally multi-racial community in rural Georgia. Locally, Pikes Peak Habitat for Humanity was established in 1986. Seeking to put God's love into action, Pikes Peak Habitat brings together people of all faiths and people of no faith to build homes, communities, and hope. Working alongside each other, we help families and individuals build and improve places to call home and achieve the strength, stability, and self-reliance they need to build better lives for themselves. Pikes Peak Habitat seeks individuals who have a willingness to affirm these principles and values.

At Pikes Peak Habitat for Humanity, we embrace a history rooted in creating equity and take our mission seriously by courageously committing to a culture and workplace where all staff feel safe, welcome, visible, respected, supported, and valued. As an equal opportunity employer, we realize that our success depends upon building an inclusive workforce of diverse perspectives and encourage people of varied races (which is inclusive of traits historically associated with race, including, but not limited to, protective hairstyles and hair texture), ethnicities, national origins, tribes, religions, ages, gender identities and expressions, genders, sexual orientations, marital statuses, disabilities, veteran/reserve national guard statuses, socio-economic statuses, thinking and communication styles to work with us.

We also require that all staff take seriously their ethical responsibilities to safeguarding our intended beneficiaries, their communities (especially children), and all those with whom we work. In line with the prevention of sexual exploitation and abuse, all staff must pass a thorough background screening and will be held accountable for upholding our policies around ethical behavior, including safeguarding and whistleblowing.
